ADMISSION REQUIREMENTS

- **Bachelor's degree** from a college or university in the United States that is accredited by one of the six regional accrediting bodies. If you completed your degree outside the United States, it must be the equivalent of a four-year United States bachelor's degree. If you have any questions, please contact your advisor.
- At least three years of **professional work experience** with some experience in the healthcare field is strongly preferred.
- **Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE)** is required. However, this is waived for applicants with five or more years of relevant professional work experience and/or U.S. board-certified physicians (proof of current certification required). Evaluation of relevant experience is at the discretion of the admissions committee. Applicants with between three and five years of professional full-time work experience may apply for a waiver. To request a waiver, a brief summary that outlines why you believe you are qualified for the test score waiver along with your resume and unofficial academic transcripts are required.
- Applicants who have not completed a degree in a TOEFL exempt country must submit one of the following: an official TOEFL score of at least 100 (internet-based test) or 600 (paper-based test), or an official IELTS score of 7.0 with no individual band score below 6.0. Test date must be within the past two years. Scores are not required for U.S. citizens, U.S. permanent residents and U.S. board-certified physicians.

Your application will only be submitted for review through a member of the Admissions Team.

The completed application file must include:

- » A completed, submitted and signed online application form.
- » The application fee of \$80 USD payable online via credit card when submitting your application.
- » Official transcripts of all post-secondary academic programs attended.
- » A current resume or CV.
- » One (1) letter of recommendation demonstrating your professional experience and qualification for graduate study.
- » Statement of program objectives and professional goals.
- » Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) scores, unless waiver approved.
